Dear Parents/Guardians,

I hope this letter finds you and your family safe and well.

The recent safety precautions we have undertaken in Kishoge for managing Covid 19 has meant that we can no longer offer the school reading room as a reading facility for our students. To continue supporting our students as readers, we will be running various literacy initiatives throughout the school year. One of these initiatives will involve making a switch over to digital e-books through the use of the app BorrowBox Library.

BorrowBox Library is a free e-book resource and students will need to be registered with their local SDCC library to access this resource. Once a student, or any family member is registered, they can borrow up to five eBooks and five eAudiobooks for a three-week period. We will be downloading the app onto students' Ipads in October, and we would be most grateful if you could join us in supporting your son/daughter in becoming good readers by joining your local library as soon as possible. Here is the link you need to follow to join your local library: <https://sdcc.ie/en/services/sport-and-recreation/libraries/join-library-login/>

Please be mindful that while we advise our students to select young adult fiction, parental guidance may be needed at home as students can still access books that are suitable for an older age group.

Stay safe, and happy reading!

Órlagh Geoghegan

Literacy Co-ordinator
